

URJAA FOUNDATION DONATION /CSR APPEAL 2026-27

“Empowering Minds, Nurturing Hearts, Sustaining Tomorrow.”

Urjaa Foundation : 10 Years of Lasting Change

Empowering Children (WADA, SHAHAPUR, DOMBIVLI & THANE) &

 the Environment Since 2015

A Decade of Impact - Since 2015, we've transformed lives in Thane district:

EDUCATION :- Aid to 14,000+ students from village schools including ZP schools.

ENVIRONMENT : 325+ tons plastic recycled + e-waste drives + Reusables (OLD clothes, bags, shoes etc) to Goonj. TOTAL 81 COLLECTION DRIVES till date.

GIRL'S DIGNITY : Biodegradable Sanitary pads for 2,700+ plus students (3 months supply)

Dear Friend's Imagine a girl in a dusty Wada village school, her eyes lighting up as she opens her first storybook in a library you helped build. Or a boy clutching his new school kit, finally proud to walk to class. For 10 years, that's the magic you've made real at Urjaa Foundation.

We invite you to fuel our next chapter of impact in Thane district and beyond. Your support has already changed lives—join us to multiply that legacy.

Your Donation/CSR would be greatly appreciated and will go a long way in helping the not so privileged students.
